## INSTRUCTIONS:

- print these pages out at 100% size.

**DO NOT TRIM THEM!**

- tape together according to tape marks (HINT: if you cut notches at the edge of the paper where the tape marks are, you can use the tape to tack the template to the paper or plastic you are cutting out)

- cut as neatly as you can

- assemble shade and continue enjoying your Samtid lamp in SPITE of Ikea thinking you should have just bought a whole new one.
